GENERAL INSTRUCTIONS

- 1) Thank you for choosing this unique decorative doll kit. Both beginners and advanced sewers will enjoy creating this exceptional clown doll. We have included the finest quality fabrics for ease in stitching and for lasting beauty of your finished work of art.
- 2) Please read all instructions carefully before you start.
- 3) Besides the General Instructions we have also included in this kit assembling and sewing instructions and pattern cut outs needed to finish this decorative doll.
- 4) On the pattern cut out paper you will find a miniature layout which shows you how to place the pattern on the fabric material. Please duplicate this miniature layout on the material enclosed with your pattern paper and cut out the pieces for sewing and assembling your clown doll.
- 5) After cutting out all the pieces required for your clown doll, you are now ready to assemble.

CIRCUS CLOWN CLOWN DE CIRQUE

ASSEMBLING AND SEWING INSTRUCTIONS INSTRUCTIONS D'ASSEMBLAGE ET DE COUTURE

1) HANDS LES MAINS

- a) Using cut out felt hands from pattern supplied, pin together and sew 1/4" (6mm) from edge leaving wrist open. Fill hand with polyester.

- b) Glue bottom of wood stick size 1/8" (9mm) and insert into hand.

3) HEAD AND BODY MATERIAL TÊTE ET CORPS EN TISSU ÉLASTIQUE

- a) Fold the stretchy material in half (which is already cut) and stitch along length, leaving top and bottom open. Place the stretchy material (déjà taillé) en deux et faites une couture droite tout au long du bord. Laissez le bas et le haut ouverts.

- b) Turn material right side out and baste stitch top of stretchy material leaving thread ends as per diagram.

2) FABRIC ARMS BRAS EN TISSU

- a) Fold material in half lengthwise and stitch along length leaving top and bottom open.

- c) Place ball inside and pull baste stitches as tight as possible and tie ends, as per diagram.

- d) Smooth stretchy material around head. Tie thread around neck, as per diagram.

- b) Turn material inside out and baste stitch top and bottom leaving thread ends.

- c) Place glued hand inside arm with seam in back as per diagram. Tie the thread ends around wood wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

- c) Place the main in the base of the arm and stretch the material around the wrist and knot. Pull together and baste stitch on top of arm and tie.

4) FEET LES PIEDS

- a) Using cut out felt feet supplied slit top only as shown and then pin together. Sew 1/4" (6mm) from edge and fill with polyester through slit opening.

- b) Glue bottom 1/4" (2cm) wood and place into slit opening of foot as per diagram.

5) BODY GARMENT VÊTEMENT DU CORPS

- a) Using material from cut outs, place face to face and sew center seam, repeat the above with two remaining pieces for back.

- b) With finished pieces from above, #5A, sew side seams, leaving opening for arms as per diagram.

- c) Sew inner leg seam, and cut curves.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

- d) Turn body garment right side and baste stitch bottom of legs, leave hanging thread as per diagram.

7) BOW LA BOUCLE

- a) Fold bow material (Gingham) in half in length and stitch along border, leaving ends open.

- b) Turn material right side out and fold ends together overlapping 1/2" (6mm). Baste stitch on overlapping material and leave hanging thread at start and finish. Pull thread together and tie to form bow.

- c) Place knot around bow and knot in back as per diagram.

- d) Tack breastplate felt in back of bow and glue three felt buttons as shown.

6) FRILL FOR ARMS AND LEGS JABOTS PLISSÉS POUR BRAS ET JAMBES

- a) Cut top and bottom of material (4) with pinking shears, fold and stitch reverse side. Baste stitch along middle line leaving ends of thread as before.

- b) Place frill around wrist, pull and tie. Repeat for other wrist and legs.

- b) Place frill around wrist, pull and tie. Repeat for other wrist and legs.

- b) Place frill around wrist, pull and tie. Repeat for other wrist and legs.

- b) Place frill around wrist, pull and tie. Repeat for other wrist and legs.

- b) Place frill around wrist, pull and tie. Repeat for other wrist and legs.

- b) Place frill around wrist, pull and tie. Repeat for other wrist and legs.

- b) Place frill around wrist, pull and tie. Repeat for other wrist and legs.

- b) Place frill around wrist, pull and tie. Repeat for other wrist and legs.

- b) Place frill around wrist, pull and tie. Repeat for other wrist and legs.

- b) Place frill around wrist, pull and tie. Repeat for other wrist and legs.

- b) Place frill around wrist, pull and tie. Repeat for other wrist and legs.

- b) Place frill around wrist, pull and tie. Repeat for other wrist and legs.

- b) Place frill around wrist, pull and tie. Repeat for other wrist and legs.

- b) Place frill around wrist, pull and tie. Repeat for other wrist and legs.

9) FELT CAP LA CASQUETTE

- a) Baste stitch 1/4" (9mm) around border and leave hanging threads. Pull threads until cap measures 2 1/4" (5.7cm). Tie thread ends together.

- b) Stitch peak under cap, as shown.

- c) Glue cap to head, as shown.

10) FACIAL TRIMS GARNITURES DU VISAGE

- a) Glue eye (black), eyeball (white), and pupil (black). Glue nose and mouth (red) as shown.
